### Waco Planned Promiscuity to offer Nobody's Fool on July 26

The Nobody's Fool teen sex promotion conference will take place on **Wednesday, July 26** from 8:30 a. m. to noon at the Waco Convention Center. This will be the 17th year of this controversial program. As this issue of the PLW newsletter goes to press, we do not have the flyer for this year's program.

Pro-Life Waco will again stand firm in opposing this effort by Planned Parenthood to lure children into its web of control.

It will be hard to top the 2004 Girl Scout cookie boycott. Local Girl Scouts had co-sponsored Nobody's Fool for years. Like many other organizations and businesses, Girl Scouts now declines to have their name associated with Planned Parenthood of Central Texas.

PPCT has terminated over 10,000 pre-born babies since they opened their Columbus Avenue abortion business in 1994. The type of "counseling" they offer women at the Ross Avenue Birth Control Clinic sets many women on the path to the Columbus Avenue abortuary. **Now is the time to write letters to the editor of the WacoTrib upholding chastity and challenging PP's anything-goes sex-ed for children**

The following businesses and organizations were Nobody's Fool sponsors in 2005. Hopefully, some of these have broken with Planned Parenthood for 2006.

- Advocacy Center for Crime Victims & Children*
- Big Brothers Big Sisters*
- Camp Fire USA*
- Cargill Meat Solutions*
- DLM Technologies*
- DuPuy Oxygen*
- Hillcrest OB/GYN Associates*
- HOTCADA*
- KWTV Fox 44*
- McLennan County Youth Collaboration*
- Rapoport Academy*
- Screen-Tex Graphics*
- Shipley Donuts of Waco*
- Solon Adeva*
- Tiempo Newspaper*
- Waco Housing Authority*
- Waco-McLennan County Public Health District*
- Waco Tribune Herald*
- Wolf Manufacturing*

### PPCT's desperate effort to polish tarnished image with billboards

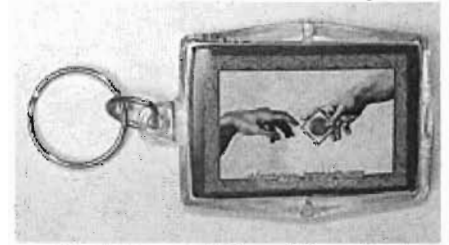

More and more people are realizing how Waco Planned Parenthood promotes youth promiscuity, terminates pre-born babies, wrecks women's lives, and mocks Christianity.

Planned Parenthood doubles its effort to sell its "Prevention First" message at 11th & Columbus Avenue. Planned Parenthood does not mention that "death to the unborn" comes second.

As we stated in the last newsletter, Planned Parenthood of Central Texas is digging into its deep pockets for billboards around the Waco area. We found the case pictured above where Planned Parenthood had two billboards right next to each other.

### PP mocks Christianity

We all know that Planned Parenthood attempts to undermine Christian sexual morality. PP also mocks and blasphemes Christianity in a variety of ways. Each Christmas, PP markets holiday greeting cards with the message of "Choice on Earth." Planned Parenthood of Connecticut markets condom key chain. The key chain above degrades the Michelangelo portrayal of God's touch of life on the ceiling of the Sistine Chapel.

### Wednesday stand for life now extends to 18th & Columbus

For years, pro-lifers have stood for life on the killing day at Planned Parenthood at 1927 Columbus Avenue. As you can see below, we now have presence at the busy intersection of 18th Street and Columbus Avenue. This intersection is one of two that a woman scheduled for abortion must pass to get to the abortuary. We pray our signs will save the lives of babies and deter mothers from years of devastation from the experience of abortion.

Frances Carrillo displays the reality of abortion in Spanish.

Many messages for Wacoans going to work and women headed for abortions.

### Pro-life crisis pregnancy ads run at Killeen movie theater

Central Texas Voices for Life (Harker Heights, Texas) is running pro-life movie theater ads in an effort to reach women facing crisis pregnancies. The movie ads refer all inquiries to the local Hope Pregnancy Centers (Killeen, Copperas Cove, and Temple) for information and assistance.

Killeen, Texas, has one large 14-screen theater complex that serves the metropolitan area – including the Fort Hood Army Base. Central Texas Voices for Life has contracted to run one of three ads before every movie on each of 14 screens, seven days a week.

Penny Szeman is the local expert on pro-life theater ads. Contact Penny via e-mail (pszeman@hotmail.com) or telephone (254-698-6539) for more information about how the program works and how you can implement this life-saving outreach program in your community.

### Planned Parenthood smut site banned from Bryan ISD student computers

In May, the Brazos Valley Coalition for Life led a successful campaign to protect the health and morality of Aggieland children. They challenged Bryan ISD school officials for allowing student access to the Planned Parenthood Federation of America smut site for children—www.teenwire.com. The web site clearly encourages promiscuity among teens—a life destroyer **and** money maker for Planned Parenthood affiliates.

We have checked and found out that this disgusting web site is also blocked in Waco ISD. Is teenwire banned in school districts that touch your children, grandchildren, and friends? **Check it out.**

teenwire.com is too vile to describe in this newsletter. We have vivid information pages on the content of teenwire. To receive this information just contact John at [john\\_pisciotta@prolifewaco.org](mailto:john_pisciotta@prolifewaco.org)

### Mart families display mini-billboards at their homes

At their home, near the legendary Mart football field, the Arensman family shows their pro-life colors. Julie and Jeanne left. Jan right.

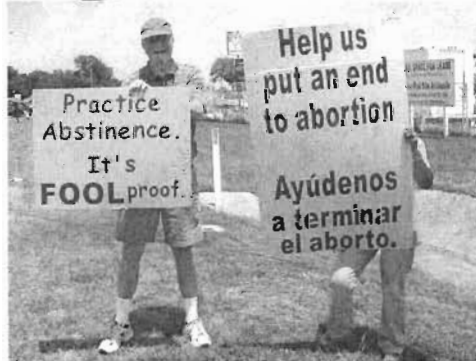

Planned Parenthood may have the bucks to display dozens of billboards with their devious message. However, pro-lifers have the zeal and commitment. Wow, are we doing great in Mart, Texas. Two families in this small community have 4x8 billboards on their property. We thank Dennis and Denise Bagby and the Arensman family pictured above.

Would you be willing to display a billboard on your property? Or perhaps your church would want to display a pro-life billboard. Many designs and messages are available. We also have pro-life yard signs (the size of typical political campaign signs).

For more information, just call Bill McBride at 857-9141.

### Waco Life Chain: now every month!

Pro-life messages at June 4 Life Chain. Nicolas O'Conner holds one sign. But who is the lady behind the other sign? Hint: initials are S. C.

Waco's Monthly Life Chain has been a great success. The event takes place on the **First Sunday** of every month from 2-3 p.m. at intersection of Valley Mills Drive & Waco Drive. The traffic simply pours through this intersection during the hour of Life Chain. The response has been overwhelmingly positive.

We meet in the parking lot of Whataburger to distribute signs.

Signs are available for all who come out. This would be an excellent pro-life activity for your church, Sunday School, youth group, etc.

Life Chains dates: July 2. Aug. 6, Sept. 3.

### Ecumenical Second Sunday Pro-Life Gathering

Lunch Served Throughout Noon Hour  
Pro-life video, guest speakers & planning 1-2 p.m.

Meal is just \$3 for adults.

July 9 • August 13 • Sept. 10

Pro-Life Waco invites you to join the Central Texas pro-life movement. The movement is growing, but would be stronger with your involvement. Let us take time once a month to enjoy a terrific meal, fellowship, and planning to advance the Gospel of Life in our community.

We welcome newcomers. No one is pressured into any particular involvement.

We have a special play area for children.

### Please pray and stand for life!!

Each Wednesday between 7 a.m. & noon at the PPCT abortuary (1927 Columbus Avenue), your pro-life friends are there to stand and pray for life on Waco's regrettable day of abortion. Our numbers are growing. Please consider coming out to stand and pray for life for as little as 30 minutes on Wednesday. This abortuary is a moral stain on our city. Let us stand together for decency and for life.
